Where are we going, Gran?~~

~~They pull into a huge estate with ivy climbing the sides and
a sign that reads: Monogeros Children's Mental Institution.~~

INT. COH HEADQUARTERS - DAY

A TOUR GROUP walks around the lobby as the GUIDE points to the walls. The MAN in the green hoodie with his face hidden is among the crowd. Yelling from outside the building suddenly gets louder as Bait bursts in.

BAIT [GRACE]
(crying)
NOOOOOOOOOOOOOOOOOOOOOOOO!!!!

She fights herself, struggling back to the entrance.

BAIT
Oh for the love of - we're going
in. We don't need her.

Bait forces herself back in, going up to the desk.

BAIT [GRACE]
(crying)
I do!

BAIT [TRUCKER DAVE]
I'll take care of this, since
neither one of you can gain enough
control here.

Bait now walks like a giant, burly man to the desk where a SECRETARY (young hipster) looks terrified. The Guide tries to usher the tour group out but people start filming Bait.

BAIT [TRUCKER DAVE]
Eh, boy. We want a meetin' with the
Consortium.

SECRETARY
Uh... I'm afraid they're not here.

BAIT [TRUCKER DAVE]
(flirty)
Oh come on, handsome. Why don't you
tell me your name?

SECRETARY

Ben.

BAIT [TRUCKER DAVE]

Okay, Ben. We can do this one of two ways. You let someone know we're here or I'll have the screaming child come back out.

BEN

Okay, okay!

His hand shakes as he picks up the phone and dials a number.

SECRETARY

Excuse me, sir. There's a... uh...

BAIT

Bait.

BEN

Bait here to see you. A uh... villain. I would assume.

BAIT

What do you live under a rock? Have you never heard of Bait and Switch?

BAIT [GRACE]

I WANT SWWWIIIIIIITCCCHHH!

BEN looks mortified. Bait wipes her eyes.

BAIT

Sorry about that. I have a proposition for your boss.

BEN

Uh, sir... please just hurry down here. Right. I will let them know. Yes sir, them.

The Secretary hangs up the phone.

BEN [CONT.]

He will be down shortly.

The tour guide fails to stop people taking pictures. A spotlight shows at the top of the steps, and CLASS ACT magically appears.
