

Bait's figure is silhouetted as she changes. Switch messages someone on the computer.

 BAIT
 Pwetty, pwease!

 SWITCH
 No!

One of Bait's garments flies over the screen and hits Switch in the face.

INT. ABANDONED WAREHOUSE - LATER

Switch works on new gadgets as Bait plays with dolls that represent her personalities, a 'Kelly' barbie doll and a modified 'Ken' barbie doll, dressed as a trucker.

 BAIT
 Switch, will you tell me now?

 SWITCH
 NO! I'm not telling you any of it!

 BAIT
 Fine, but Gracie is in meltdown mode. Do you really wanna risk that?

 SWITCH
 Bring it on...

Bait wails like a child as Switch puts on big head phones. Bait's posture and gait is that of a five year old as she walks over to Switch and plops down on the floor crying.

~~INT. ABANDONED WAREHOUSE - TWO HOURS LATER~~

~~Bait is still crying with Switch in the same position.~~

INT. ABANDONED WAREHOUSE - LATER

Bait brings dinner over to Switch along with hers. She places the plate in front of Switch. Bait sits and stares at Switch as she eats.

 SWITCH
 (food in her mouth)

BAIT
Ipoisonedyourfood.

Bait covers her mouth like she just told a juicy secret.
Switch stops chewing.

SWITCH
You didn't...

BAIT

antidote, I could use a story...

Switch spits her food onto her plate.

SWITCH
You did all this just to know who
the damn hero is?

BAIT
Yup! So spill, you don't know what
kind of time you have. Give me all
the dirty details between you
and...

SWITCH
I can't believe you! You really
fucking poisoned me!? You're
insane, you know that?

BAIT
Tell me something I don't know.

SWITCH
Fuck you for this.

BAIT
So how'd you meet
what's-her-bucket?

SWITCH
Her name is Black Charlotte or as I
like to call her, Captain Ex. We
met in college...
